About BW LPG

BW LPG is the world’s leading owner and operator of LPG vessels, with a fleet of about 50 Very Large Gas Carriers (VLGCs) and Large Gas Carriers (LGCs), including 20 vessels powered by LPG dual-fuel propulsion technology. Building on over five decades of LPG shipping experience, the company is also a significant player in the LPG commodity trading market. Combining its shipping expertise with in-house trading capabilities, BW LPG provides reliable services for sourcing and delivering LPG to customers worldwide.
Delivering energy for a better world. For more information, visit www.bwlpg.com

BW LPG is associated with BW Group, a leading global energy and maritime company involved in shipping, deepwater oil & gas production, renewable energy and digital infrastructure. BW controls a fleet of over 400 vessels transporting oil, gas and dry commodities. In the infrastructure space, the group operates in wind, batteries, water, subsea cable networks and data centres. www.bw-group.com
