Maven Wireless receives 38MSEK order from RF Coverage AB for tunnel coverage equipment.

Maven Wireless receives our largest order in Sweden from our system integrator partner RF Coverage AB for tunnel coverage equipment. Delivery is planned for the coming 18 months with the majority to take place in 2027.

Maven Wireless DAS system for public safety solutions will be installed in complex indoor tunnels environments in Sweden with delivery start 1H of 2027.

"We receive our largest order to date in Sweden from our long term partner RF Coverage AB for public safety solutions, which builds on our success in Sweden, Austria and Switzerland, and further strengthens our position in road and rail tunnel use cases" says Anders Olin, CEO of Maven Wireless.

"We are pleased with our partnership with Maven Wireless and look forward to continued strong collaboration as we build tunnel coverage systems together," says Jonas Blom, CEO of RF Coverage AB.
