# BeammWave CEO Stefan Svedberg Interviewed by Redeye on Q3 2026 Report

**Following the release of the Q3 2026 Interim Report, BeammWave CEO Stefan Svedberg participated in a video interview with Redeye analyst Rasmus Jacobsson.**

"*We have never been better positioned to turn our technology into business. Strong results from our new RF chip, progress in 3GPP and growing customer engagement reinforce our confidence in the path ahead*."
— Stefan Svedberg, CEO of BeammWave
