
Yet another successful Formnext trade show

Freemelt had a busy and successful Formnext show! In the enclosed video, you can meet our customers and colleagues in our booth. We had a lot of interesting discussions regarding our research system Freemelt ONE, our upcoming industrial system eMELT and our new software Pixelmelt.

About Us

Freemelt is a high-tech company whose ground-breaking solution creates new opportunities for rapid growth in 3D printing, also known as additive manufacturing. The company's protected technology enables cost-effective printing to a consistent and high quality. By choosing an open-source solution, the conditions are created for strong growth and expansion towards manufacturing markets.

Freemelt was founded in 2017, is listed on Nasdaq First North Growth Markets, has 34 employees, head office in Gothenburg and a manufacturing unit in Linköping. Read more at www.freemelt.com.
