

Invitation to Yubico's Investor Day 2025

Yubico welcomes investors, analysts, and media representatives to our Investor Day 2025.

During the day, CEO Mattias Danielsson together with members of the executive management team will present what makes Yubico unique, share customer stories, and provide deeper insight into the business model and long-term strategy. The presentations will be followed by a Q&A session. The event can be attended both in person and via livestream. The presentation as well as the recording will be available after the event on Yubico's IR website.

Date: November 19, 2025

Place: The program starts at 15:00 CET in Stockholm and registration for physical attendance opens at 14:30 CET. The event ends around 19:00 CET, followed by networking and light refreshments.

Registration: Registration is required for participation, both on-site and digital, via the following link:
<https://yubico.events.inderes.com/investor-day-2025>

The number of seats at the venue is limited, which means confirmation is required for physical attendance.

Welcome!

About Yubico

Yubico (Nasdaq Stockholm: YUBICO), the inventor of the YubiKey, offers the gold standard for phishing-resistant multi-factor authentication (MFA), stopping account takeovers in their tracks and making secure login easy and available for everyone. Since the company was founded in 2007, it has been a leader in setting global standards for secure access to computers, mobile devices, servers, browsers, and internet accounts. Yubico is a creator and core contributor to the FIDO2, WebAuthn, and FIDO Universal 2nd Factor (U2F) open authentication standards, and is a pioneer in delivering modern, hardware-based passkey authentication security at scale to customers in over 160 countries.

Yubico's solutions enable passwordless logins using the most secure form of passkey technology. YubiKeys work out-of-the-box across more than a thousand consumer and enterprise applications and services, delivering strong security with a fast and easy experience.

As part of its mission to make the internet more secure for everyone, Yubico donates YubiKeys to organizations helping at-risk individuals through the philanthropic initiative, Secure it Forward. The company is headquartered in Stockholm and Santa Clara, CA. For more information on Yubico, visit us at www.yubico.com.
