
Hansa Biopharma Q1 - Improved European launch support

Redeye updates its outlook on Hansa Biopharma, anticipating improved launch support during 2024 and pipeline progress over the next 12 months. A growing number of countries and centres have added to the European launch, and the Eurotransplant program is also resulting in more patients using Idefirix regularly. Our Base Case remains SEK120 with a Bull Case of SEK220 and a Bear Case of SEK15.
