

## QleanAir wins another large deal within the office segment in Germany

**QleanAir Holding AB (publ), the premium supplier of solutions for clean indoor air, wins another large order for Facility solutions within the office segment in Germany. The order consists of a sales contract of 60 freestanding air cleaners to one of Germany's most well-known producers of charcuteries.**

The company is investing in 60 units of FS 30 air cleaners to secure healthy indoor air, prevent the spread of the corona virus and protect the employees. The freestanding air cleaners will be placed in the offices of the headquarters, and a three-year service contract is included in the deal. The company, which has been producing charcuteries for over 150 years, is one of Germany's most famous brands and has been run by the same family for generations.

*- It is a pleasure to help this national treasure to secure a healthy workplace environment for their employees,* says Tobias Willi, Managing Director of QleanAir GmbH.

The standalone air cleaner FS 30 HEPA was launched in the end of 2020 and is designed to reduce the levels of viruses, bacteria, and other hazardous particles in the air in health care facilities, schools, workplaces, and other shared spaces.
