

## Fireshine Partners with NEOWIZ for ‘Lies of P’ Physical Editions

**Fireshine Games is thrilled to announce that it has partnered with NEOWIZ to release the physical edition of the highly-anticipated action souls-like game *Lies of P*, simultaneously with the digital release in the third quarter, the physical version of *Lies of P* will be available on the PlayStation®5 (PS5) system, the PlayStation®4 system, Xbox Series X|S and Xbox One consoles.**

Inspired by the familiar story of Pinocchio, *Lies of P* is an action souls-like set in a dark Belle Époque world. As the puppet P, players must wind their way through the streets of the ruined city of Krat, crafting weapons from the materials found in the world and interacting with the remaining few who manage to survive in this hellscape. The more lies told, the more human players become, with all the advantages and disadvantages it entails. Experience profound narrative choices and deeply customizable character progression as you guide P on his unrelenting journey to become human.

*Lies of P* was selected as the ‘Most Wanted Sony PlayStation Game’ at gamescom Opening Night Live 2022, and awarded as the ‘Best Action Adventure Game’ and ‘Best Role Playing Game’ at the 2022 gamescom awards.

“We are delighted to have partnered with NEOWIZ to release the physical version of *Lies of P* in western markets later this year,” said Sarah Hoeksma, Marketing Director at Fireshine Games. “As one of the most anticipated games of 2023, we can’t wait for players to step into this deeply dark take on a classic tale and experience the adventure awaiting them.”
