Zordix launches Super Animal Royale Season 6 to more than eight million players worldwide

Umeå, Sweden (December 13, 2022) – Zordix AB (Publ)'s (Nasdaq: ZORDIX B) publisher, Modus Games in collaboration with Pixile Studios today launched the sixth season of Super Animal Royale. Today's launch also includes a special Christmas feature until January 3.

The globally popular game, Super Animal Royale, a free-to-play top-down multiplayer battle royale for up to 64 players, got its sixth season today. Throughout the success, over eight million players have now got access to a new adventurous and battle-filled season.

"Live service gaming is a targeted growth area for Zordix as it generates a consistent revenue base and allows us to actively connect with our community. Since Early Access, we've seen a 78% increase in ARPPU, displaying higher spending levels per player as we create new ways for them to play and engage in every new season," says Christina Seelye, CEO of Zordix.

Super Animal Royale Season 6 is packed with new characters, which can parachute into the ruins of an ill-fated safari park and battle to the death. A new netcode has been implemented to create a more consistent player experience. The new [Season 6 Super Animal Royale trailer](#) is now available.
