

# Heights Capital Management poses claim on Intellego Technologies AB

**Intellego Technologies AB ("Intellego") has been notified of a claim from Heights Capital Management, Inc. ("Heights") in connection with Height's subscription for shares in Intellego, through a directed share issue carried out on 27 October 2025.**

The claim is based on alleged breaches of the subscription agreement entered into in connection with the directed share issue. The claim from Heights could amount to the full subscribed amount of SEK 210 million, together with compensation for legal costs.

Intellego will assess its position once Heights has specified the amount of its claim and the circumstances on which Heights alleges the claim is based.

## About Us

---

Intellego Technologies develops and manufactures color indicators that show the effect of irradiation with, among other things, invisible ultraviolet light, UV light. Color indicators are used globally in, for example, the disinfection industry, the sunscreen industry, and the manufacturing industry. Intellego's indicators have been developed from the company's patented photochromic ink, which can be adapted to different wavelengths of light and various application areas across a range of different industries. Intellego Technologies was founded in 2011, is headquartered in Stockholm, and is listed on the Nasdaq First North Growth Market.

The company's Certified Adviser on the Nasdaq First North Growth Market Stockholm is Mangold Fondkommission AB.
