

# UPDATE ON THE SUBMISSION OF THE ENVIRONMENTAL PERMIT APPLICATION FOR FINNISH MINE PROJECT

**Stockholm, 27 March 2024 – The mining company Eurobattery Minerals AB (Nordic Growth Market: “BAT” and Börse Stuttgart: “EBM”; in short: “EBM”, “Eurobattery” or “the Company”) today announced details about the environmental permit application process for the Hautalampi battery mineral project.**

The company will provide the environmental permit application to the Finnish Environmental Authority and following this, have a meeting with the agency in mid-April. After the April meeting, Eurobattery Minerals will follow the instructions and procedural steps indicated by the Finnish Authority.

*“We are looking forward to submitting the environmental permit application and work alongside the authorities to ensure a smooth and quick process,”* said Roberto García Martínez, CEO of Eurobattery Minerals.

## **About Eurobattery Minerals**

Eurobattery Minerals AB is a Swedish mining company listed on Swedish Nordic Growth Market ([BAT](#)) and German Börse Stuttgart ([EBM](#)). With the vision to make Europe self-sufficient in responsibly mined battery minerals, the company’s focus is to realize numerous nickel-cobalt-copper projects in Europe to supply critical raw materials and, as such, power a cleaner world.
