Tabellae BidCo announces the final outcome of the recommended public cash offer to the shareholders of Lasernet

On 4 June 2026, Tabellae HoldCo ApS[1] ("Tabellae HoldCo"), Mission Trail Partners, LP[2] ("Mission Trail") and Aktiebolag Grenspecialisten[3] ("Grenspecialisten") (together, the "Consortium" and the "Consortium Parties", respectively), through Tabellae BidCo ApS[4] ("Tabellae BidCo" or the "Offeror"), announced a recommended public cash offer to the shareholders of Lasernet Group AB (publ) ("Lasernet" or the "Company") to tender all outstanding shares in Lasernet to Tabellae BidCo at a price per share of SEK 30 in cash (the "Offer").

On 23 July 2026, Tabellae BidCo announced that the Offer had been accepted by shareholders holding 18,047,514 shares, corresponding to approximately 61.6 percent of the total number of shares and votes in Lasernet and that Tabellae BidCo since the announcement of the Offer had also acquired 313,435 shares in Lasernet corresponding to approximately 1.1 percent of the outstanding shares and votes in Lasernet, at a price per share not exceeding the price in the Offer. This meant that Tabellae BidCo, together with the 8,592,878 shares already owned by Mission Trail and Grenspecialisten prior to the announcement of the Offer, controlled 26,953,827 shares, corresponding to approximately 92.0 percent of the total number of shares and votes in Lasernet. Tabellae BidCo also declared the Offer unconditional. At the same time, Tabellae BidCo extended the acceptance period to 7 August 2026 to allow shareholders that had not yet accepted the Offer an additional opportunity to do so.

The extended acceptance period has expired, and the Offer has been accepted by shareholders holding an additional approximately 6.0 percent of the shares and votes in Lasernet. This means that Tabellae BidCo now controls approximately 97.9 percent of the total number of shares and votes in Lasernet. Tabellae BidCo has decided not to extend the acceptance period any further and the Offer is closed.

Tabellae BidCo will not extend the acceptance period any further and the Offer is therefore closed. This means that the Offer was accepted by shareholders holding a total of 19,797,685 shares, corresponding to approximately 67.5 percent of the total number of shares and votes in Lasernetet.

Except as set out above, neither Tabellae BidCo nor the members of the Consortium nor any closely related parties to them owned any shares or other financial instruments that give a financial exposure equivalent to a shareholding in Lasernet at the time of the announcement of the Offer.

Settlement for shares tendered in the Offer during the extended acceptance period is expected to commence on or around 17 August 2026.

Compulsory redemption proceedings and delisting of Lasernet
