Goodbye Kansas Studios wins additional order for game trailers for existing project

Within a couple of weeks, Goodbye Kansas Studios has received another order for pre-production of cinematic game trailers for a game project. The order comes from an international customer and the value of the order amounts to approximately SEK 27 million. Production has started and will continue until the end of 2024

"The collaboration with this customer began through a more limited scope but it has quickly evolved into an extensive collaboration with a number of planned deliveries. In a very limited time, we have built up a close relationship with the client, who has already gained confidence in our creative abilities and high-quality productions. This order is another significant milestone on our path to profitable growth," says Stefan Danieli, CEO of Goodbye Kansas Group.

Goodbye Kansas Group is currently fully focused on the operations of its subsidiary Goodbye Kansas Studios, a leading provider of technology-driven visual content in a global market.
