

## The price for Dosell Consumer is communicated

**iZafe Group AB (publ.) ("iZafe" or "the Company") announces that the price for the consumer version of Dosell will be SEK 299 per month.**

Dosell Consumer is a subscription service without binding period or notice period. A subscription for Dosell Consumer can be subscribed and paid for by, for example, the user directly or relatives to the user. After the customer has purchased the hardware for SEK 499 on [apoteket.se](https://apoteket.se), the service offers easy registration with payment solutions directly in the app.

*"We are very happy that Dosell, as of Monday October 18, will be made available through [apoteket.se](https://apoteket.se) for anyone to buy, to a relative or to themselves. In an early stage we already have about 20 satisfied users that have tested Dosell before launch. We have visited some of them to hear more about how their everyday life has been made simpler and how their safe use of medication has been facilitated by the help of Dosell. [See this video](#) where two of our users and their families describe their experiences. Dosell Consumer is a welcome aid in the home for all people who medicate daily." says Anders Segerström, CEO of iZafe.*

### About Dosell Consumer

Dosell Consumer and the Dosell app is a simpler version of iZafe's professional solution and is adjusted to let users and relatives administrate and ensure correct medication without being dependent on healthcare staff. Both versions of the product are compatible with sachets from every supplier on the market.

Dosell Consumer will be made available for delivery by Apoteket on Monday October 18, 2021, but it is already possible to [register interest](#) to ensure availability when Dosell Consumer is launched.
