

BeammWave's presentation from Aktiedagarna in Stockholm

BeammWave participated on September 19 at Aktiedagarna in Stockholm, where CEO Stefan Svedberg presented the company.

Stefan informed about:

- That BeammWave is the first in the world to be able to publicly show distributed digital beamforming
- The company's thought leadership
- The first customer

and what exciting steps await in the near future.

Here you can listen to and see the entire exciting presentation about BeammWave and digital beamforming:
