Playdigious to launch exclusive mobile version of Spiritfarer on Netflix

Fragbite Group AB's wholly-owned subsidiary Playdigious SAS will release a mobile version of Spiritfarer exclusively on Netflix later on this year.

The news was announced during Netflix's Geeked Week event. Spiritfarer was initially developed for desktop and consoles by the Canadian game studio Thunder Lotus Games in 2020. Playdigious will develop an exclusive mobile version to be released on Netflix later on this year.

Netflix members will be able to enjoy Spiritfarer with no ads, no in-app purchases and included with their membership.

Playdigious places traditional desktop games on primarily mobile platforms, where well-known PC games such as e.g. Dead Cells, Northgard and Evoland has been launched for mobile players.
