

ZignSec leads the way in launching the new Malta Business Registry

ZignSec, through its subsidiary Wyzer, proudly announces the initial launch of the new Malta Business Registry (MBR). This cutting-edge platform is designed to facilitate seamless digital interactions between businesses and government agencies, simplifying their operations.

The rollout is gradual and scheduled to occur in the coming months. ZignSec will receive a portion of the revenues generated by all processed transactions, highlighting the significance of this partnership.

Comment from Glenn Mac Donald, CEO of ZignSec:

"This project, one of our most ambitious undertakings, showcases our commitment to excellence and innovation. The collaboration with the Malta Business Registry is set to redefine how businesses interact with government agencies, and we're thrilled about the value it will bring to Maltese companies."

This initiative reflects the Malta Business Registry's commitment to supporting businesses, particularly in embracing further digitalisation in their operations. The new online platform will offer features aimed at streamlining processes for companies and corporate service providers.

About ZignSec

ZignSec is a technology group in the fast-growing RegTech industry. The company provides SAAS platform with digital real-time solutions for customer due diligence and ID verification with global reach. The solutions are used by companies that in turn can optimize their processes for "onboarding" both corporate customers and consumers and at the same time ensure compliance with ever-changing local and global regulatory requirements for Know Your Customer (KYC) and Anti Money Laundering (AML).
