

DC Universe Online's Episode 46: Justice League Dark Cursed Now Available

EG7 today announced that Dimensional Ink Games, a Daybreak Games studio, has launched Episode 46: Justice League Dark Cursed, the latest episode in the popular MMO, DC Universe Online. The episode is available now on PC, PlayStation 4, Xbox One, and Nintendo Switch. Episode 46, like all episodes, is free-to-play.

A powerful curse is burning through the world's most powerful magic users, escalating their powers to dangerously violent extremes! Hoping Batman can take on the hard work, John Constantine's transported his House of Mystery to overlook Gotham Cemetery, where he and it are now under attack. In Justice League Dark Cursed, players will join forces with Batman and members of the Justice League Dark to put an end to this threat to all magic.

As previously announced, DCUO is headed to the latest generation of consoles with PlayStation 5 and Xbox Series X this holiday season! Along with the performance gains found playing natively on the latest and greatest hardware, the team is also working on gameplay and quality of life improvements to match. More information will be available soon.

About EG7

EG7 is a group of companies within the gaming industry that develops, markets, publishes and distributes PC, console and mobile games to the global gaming market. The company employs 470+ game developers and develops its own original IPs, as well as acts as consultants to other publishers around the world through its game development divisions Daybreak Games, Piranha Games, Toadman Studios and Big Blue Bubble. In addition, the group's marketing department Petrol has contributed to the release of 2,000+ titles, of which many are world famous brands such as Call of Duty, Destiny, Dark Souls and Rage. The group's publishing and distribution departments Fireshine Games hold expertise in both physical and digital publishing. EG7 is headquartered in Stockholm with approximately 630 employees in 16 offices worldwide.
