The topics discussed in this press release may constitute forward-looking statements. Forward-looking statements are statements that are not historical facts and can be identified by the use of words such as "believe", "expect", "anticipate", "intend", "estimate", "will", "may", "continue", "should", and similar expressions. Forward-looking statements in this press release are based on various assumptions, many of which are in turn based on further assumptions. Although Spago Nanomedical believes that these assumptions were reasonable when made, these assumptions are inherently subject to significant known and unknown risks, uncertainties, unforeseen events, and other important factors that are difficult or impossible to predict and are beyond its control. Such risks, uncertainties, unforeseen events and other important factors may cause actual events to differ materially from the expectations expressed or implied in this press release through such forward-looking statements. The information, opinions, and forward-looking statements contained in this press release are only valid as of the date of this press release and are subject to change without notice.

*The Company considers that it conducts activities that are subject to protection under the Screening of Foreign Direct Investments Act (2023:560) (the "**FDI Act**"). Consequently, an investment in shares in the Rights Issue (other than on the basis of preferential rights) that results in an investor acquiring a shareholding equal to or exceeding a threshold value of 10, 20, 30, 50, 65, or 90 percent or more of the total number of votes in the Company after the completion of the Rights Issue, must be reported to the Swedish Inspectorate for Strategic Products ("**ISP**") prior to the investment and, if applicable, to the corresponding authority in accordance with legislation in another jurisdiction, and may not be carried out before the ISP and, if applicable, another corresponding authority in another jurisdiction, has taken no action on the report or approved the investment. Each investor should consult an independent legal advisor regarding the possible application of the FDI Act in relation to the Rights Issue for the individual investor. For more information, please visit the ISP website, www.isp.se, or contact the Company.*
