## Goodbye Kansas Studios receives order for new game trailer from returning international customer

Goodbye Kansas Studios has received an order from an existing international customer for the production of a new game trailer for a game project. The value of the order amounts to approximately SEK 8 million. The project will start immediately and will run until the fourth quarter of 2025.

"We continue to win orders from this customer, with whom we have been working for several years. We continuously develop and deepen our collaboration and prove time and time again our ability to exceed customer expectations and create world-class visual content," says Stefan Danieli, CEO of Goodbye Kansas Group.
