Squirrel with a Gun Launches on Consoles Today

Stockholm, Sweden (October 15, 2024) - Maximum Entertainment AB (Nasdaq: MAXENT B) today launched Squirrel with a Gun, developed by Dee Dee Creations, to consoles worldwide.

Released on PC on August 29, the wild rodent sandbox shooter has now reached PlayStation 5 and Xbox Series X|S, complete with a brand-new Photo Mode for players to capture and show off all the mayhem they will cause. More on the chaos available to players everywhere can be seen in today's console launch trailer: <https://youtu.be/o6G3XcDNChQ>

"Squirrel With a Gun was a resounding success on PC, performing far beyond our original expectations," said **Shane Bierwith, Head of Publishing** at Maximum Entertainment. "We are very excited to now bring this highly anticipated title to console players around the world."

In *Squirrel with a Gun*, players find themselves starting out as nothing but a rodent with a dream. However, once equipped with one of the many firearms squirrels so often encounter in nature, they'll use an arsenal of weapons to take on the Agents hunting them down.

Physical editions of *Squirrel with a Gun* are also available for \$29.99/€29.99 and include:

- "Nuts for Nuts" outfit
- 2 Squirrel skins
- Sticker sheet
- Movie-themed poster

Purchase *Squirrel with a Gun* today at <https://squirrelwithagun.com>.
