

## **COMMENT ON THE SWEDISH FINANCIAL SUPERVISORY AUTHORITY'S INVESTIGATION INTO INTRUM SWEDEN**

We note that the Swedish FSA has decided to launch an investigation into whether Intrum AB's reorganisation process ("Swedish RP") has impacted Intrum Sweden's ability to comply with the NPL regulation.

As we have communicated throughout the Swedish RP, the reorganisation relates to the Group entity only, Intrum AB, and has no impact on market entities' structure or operations. On that basis, we expect the SFSA to conclude that there has been no change to Intrum Sweden's ability to comply with the NPL regulation.
