

## **Wall to Wall Group awarded emptying services contract by Halmstads Energi och Miljö AB**

**Wall to Wall Group, through its subsidiary Slamsugningstjänst i Halland AB, has been awarded a significant framework agreement for emptying services by Halmstads Energi och Miljö AB. The contract covers the emptying of sludge from individual sewage treatment systems, grease waste from grease separators, and food waste from individual food waste tanks throughout Halmstad municipality. The contract extends over an eight-year period and is estimated to be worth approximately SEK 30 million.**

By securing this contract, Wall to Wall Group will provide effective and sustainable emptying services for Halmstad municipality. To meet growing demand and ensure the highest quality standards in service delivery, Wall to Wall Group will invest in recruiting additional technicians and expanding its fleet of service vehicles during the contract term.

"Being awarded this assignment is a recognition of our expertise and established position. We are proud to once again have the trust to be responsible for the collection of sludge, grease waste, and food waste in Halmstad municipality," - says Madelen Jansson, Head of Operations at Slamsugningstjänst i Halland AB.
