IMPORTANT INFORMATION

Publication, announcement or distribution of this press release may in certain jurisdictions be subject to restrictions. Recipients of this press release in jurisdictions where this press release has been published, announced or distributed should inform themselves of, and comply with, such restrictions. The recipient of this press release is responsible for using this press release and the information contained herein in accordance with applicable rules in each respective jurisdiction. This press release does not constitute an offer to, or invitation to, acquire or subscribe for any securities in the Company in any jurisdiction, either from the Company or from anyone else.

This press release is not a prospectus pursuant to Regulation (EU) 2017/1129 of the European Parliament and of the Council of 14 June on the prospectus to be published when securities are offered to the public or admitted to trading on a regulated market, and repealing Directive 2003/71/EC (the "Prospectus Regulation") and no prospectus will be prepared in connection with the Rights Issue. This press release is also not an information document pursuant to Annex IX of the Prospectus Regulation. Each investor is urged to make its own assessment of the suitability of investing in the Company.

The securities described herein have not been and will not be registered under the United States Securities Act of 1933, as amended (the "Securities Act") or the securities laws of any state or other jurisdiction in the United States, and may not be offered or sold in the United States (as defined in Regulation S under the Securities Act) absent an applicable exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and in accordance with applicable securities laws. Neither this document nor the information contained herein constitutes or forms part of an offer to sell, or a solicitation to acquire, securities in the United States. No securities will be offered to the public in the United States. The information in this press release may not be announced, published, copied, reproduced or distributed, directly or indirectly, in whole or in part, in or into the United States, Australia, Belarus, Hong Kong, Japan, Canada, New Zealand, Russia, Switzerland, Singapore, South Africa, South Korea or any other jurisdiction where such announcement, publication or distribution of this information would be contrary to applicable rules or where such action is subject to legal restrictions or would require additional registration or other measures than those required under Swedish law.

In the United Kingdom, this press release is directed only at persons who are 'qualified investors' as defined under the UK Prospectus Regulation and who (i) have professional experience in matters relating to investments falling within Article 19(5) of the Financial Services and Markets Act 2000 (Financial Promotion) Order 2005, as amended (the "Order"), or (ii) are persons falling within Article 49(2)(A) to (D) of the Order, or (iii) to whom it may otherwise lawfully be communicated. For these purposes, the term 'UK Prospectus Regulation' refers to Regulation (EU) 2017/1129 as it forms part of domestic law in the United Kingdom by virtue of the European Union (Withdrawal) Act 2018.

Within the European Economic Area ("EEA"), no offer of shares or other securities is being made to the public in any country other than Sweden. In other member states of the European Union ("EU"), any such offer may only be made in accordance with an exemption under the Prospectus Regulation.

This press release may contain certain forward-looking statements reflecting the Company's current views on future events and financial and operational development. Words such as "intends", "assesses", "expects", "may", "plans", "estimates" and other expressions implying indications or predictions regarding future development or trends, and which are not based on historical facts, constitute forward-looking statements. Forward-looking statements are inherently associated with both known and unknown risks and uncertainties, as they depend on future events and circumstances. Forward-looking statements do not constitute any guarantee regarding future results or development, and actual outcomes may differ materially from what is stated in forward-looking statements.
