

## Monthly Statistics for SaveLend's Savings Strategies in February

SaveLend Group AB's savings platform, SaveLend, launched savings strategies in May 2023 to improve the customer journey and offer more customized saving options in terms of risk, return, investment horizon, and liquidity. The strategies, named Balanced and Yield, enable easier onboarding, fewer clicks, and simpler choices for anyone wanting to start saving. For investors who know exactly what they want and prefer to manage their portfolio composition based on credit type, interest, or maturity, the options Freedom and Project Finance are also available.
