About Beijer Alma AB

Beijer Alma is an international, acquisition-focused industrial group with some 70 companies. Its business concept focuses on leveraging its decentralized organization to create long-term and capital-efficient earnings growth by owning, acquiring and developing industrial companies with leading positions in growing niches. The operations specialize in industrial components, technical solutions and niche products. The Group consists of Beijer Components, which offers customized industrial components in a global market, and Beijer Tech, which consists of industrial and technology companies in the Nordic market. Beijer Alma is listed on the NASDAQ Stockholm Large Cap list.
