
TH1NG Q1 2023 - Review

Redeye expresses a high level of optimism regarding TH1NG's recent advancements in Jönköping, where the company has secured exclusive IoT provider status for more than 55 regional organizations. We believe the fact that the company now is moving into operational testing marks a significant step towards TH1NG's ultimate goal of becoming an enabler for smart societies. Based on the Q1 2023 report, we have only made minor adjustments to our short-term sales and cost projections. Consequently, we are maintaining our fair value range and base case.
