

## MAKING BUILDINGS LAST LONGER – WITH GÅRDSMARK ONBOARD!

**We're proud to announce the acquisition of Gårdsmark, a leading company in drainage and wastewater treatment, based in Borlänge.**

Gårdsmark brings a strategic service profile that complements Dura's portfolio of sustainable and integrated exterior property solutions.

This acquisition strengthens Dura's position and supports our mission, making buildings last longer, whilst taking us one step further to being the Nordic champion in sustainable property development.

Welcome, Gårdsmark – we're excited for what's ahead.

Thanks to Schjödts, QuickInsight and Equip Capital for your support and collaboration.
