# Loop Hero – Playdigious announces upcoming release

**Fragbite Group AB (publ) ("Fragbite Group") wholly-owned subsidiary Playdigious is today announcing the upcoming release of Loop Hero on mobile platforms. With high player ratings and several award nominations, Loop Hero has had success on both PC and console since its release in 2021.**

Loop Hero was developed by Four Quarters and published on PC and console by Devolver Digital. First released on PC in March 2021, the game was later the same year released on Nintendo Switch and in 2023 on Xbox. On April 30th 2024 Playdigious is releasing the game on mobile platforms.

*"Loop Hero represents another milestone for Playdigious as they initiate collaboration with an industry leader like Devolver Digital on a prominent title in the independent game genre. This collaboration is a testament to the strength of the Playdigious brand and the high quality level of the team, both in terms of technical expertise and marketing expertise,"* says Marcus Teilman, President and CEO, Fragbite Group.

*"I am very excited to add Loop Hero to the Playdigious portfolio. This title is viewed by many as a truly unique indie game, and it has both the commercial success and the player reviews to back that up. The Playdigious team is ready to create a mobile version with the capacity to be equally successful. I am also very pleased to announce this first collaboration with Devolver Digital, an important industry leader and successful advocate for independent games in the international gaming community. I hope that this is the first of many projects together with their talented team,"* says Abrial Da Costa, CEO, Playdigious

Loop Hero is a roguelike game which has been nominated for several international awards such as "Best Independent Game" at The Game Awards 2021, and "Outstanding Achievement for an Independent Game", "Outstanding Achievement in Game Design" as well as "Strategy/Simulation Game of the Year" at the 2021 D.I.C.E. Awards.

Loop Hero is part of the previously communicated expanded Playdigious pipeline of game releases for 2024.
