

Lifco acquires Karl Kaps in Germany

Lifco has signed an agreement to acquire all shares in the German company Karl Kaps GmbH & Co. KG. Karl Kaps is a niche manufacturer of medical and dental microscopes.

In 2024, Karl Kaps reported net sales of approximately EUR 10.1 million. The company is based in Asslar, Germany and has 33 employees. Karl Kaps will be consolidated in Business Area Dental. Consolidation is expected to take place in the first quarter of 2026.

The acquisition will not have any significant effect on Lifco's earnings or financial position in the 2026 financial year.

About Us

Lifco offers a safe haven for small and medium-sized businesses. Lifco's business concept is to acquire and develop market-leading niche businesses with the potential to deliver sustainable earnings growth and robust cash flows. Lifco is guided by a clear philosophy centred on long-term growth, a focus on profitability and a strongly decentralised organisation. The Group has three business areas: Dental, Demolition & Tools and Systems Solutions. At year-end 2024, the Lifco Group consisted of 257 operating companies in 34 countries. In 2024, Lifco reported EBITA of SEK 5.9 billion on net sales of SEK 26.1 billion. The EBITA margin was 22.6 per cent. Read more at lifco.se.
