The Board of Directors' proposals

Allocation of the Company's profit or loss (item 8.b)

The Board of Directors proposes that no dividend for the financial year 2025 is to be paid.

Proposal for a resolution to amend the Articles of Association (item 15)

The Board of Directors proposes that the AGM resolves to amend the Articles of Association as follows:

It is proposed that the limits for the share capital in § 4 of the Articles of Association be amended as follows: "The share capital shall be a minimum of SEK 40,502,000 and a maximum of SEK 162,008,000".

Furthermore, it is proposed that the limits for the number of shares in § 5 of the Articles of Association be amended as follows: "The number of shares shall be a minimum of 154,000,000 and a maximum of 616,000,000".

Authorisation for the Board of Directors to resolve on new issues of shares, warrants and/or convertibles (item 16)

The Board of Directors proposes that the AGM authorizes the Board of Directors to, on one or several occasions during the period up to the next AGM, resolve on new issues of shares, warrants and/or convertibles, with or without deviation from the shareholders' pre-emption rights. Payment may be made in cash, through set-off, with capital contributed in kind, or otherwise as per conditions pursuant to Chapter 2, section 5, second paragraph, items 1–3 and 5 of the Swedish Companies Act.

The number of shares that can be issued, or, in the event of an issue of warrants and/or convertibles, added after exercise, with the support of the authorization shall not be limited in any other way than by the limits for the share capital and number of shares, as set forth from time to time in the registered Articles of Association.

The reason for the proposal and the possibility of deviation from the shareholders' pre-emption rights is to broaden and strengthen the ownership with strategic shareholders, procuring or facilitating the procurement of working capital, increasing the liquidity of the share, making acquisitions, or procuring or facilitating the procurement of capital for acquisitions.

The Company's CEO shall be authorized to make the minor formal adjustments to the resolution that may prove necessary in connection with registration with the Swedish Companies Registration Office.
