Polygiene has a strong market position, an innovative offering and significant opportunities ahead. I look forward to working with the team to support the company's strategy and contribute to creating long term value for customers, shareholders and other stakeholders," says Anders Nordgren.

"We are delighted to welcome Anders to Polygiene Group. His solid experience from listed growth companies, combined with his expertise in capital markets, investor relations and building scalable international organisations, will be a strong asset as we continue to execute our strategy and accelerate profitable growth," says Sandrine Garnier, CEO of Polygiene Group.

On a personal level, Niklas has been an exceptional support during my first six months as CEO. His professionalism, commitment and deep knowledge of the business have been instrumental in ensuring a smooth leadership transition, and I am truly grateful for the partnership and support he has provided. We wish him every success in his future endeavours," says Sandrine Garnier.
