

## Westpay signs agreement with Nykapital in Denmark

**Westpay AB (“Westpay”), a leading fintech company, continue to expand its reach and footprint on the Nordic payment market. The Danish POS supplier NyKapital Group. ApS (“Nykapital”) and Westpay have signed an agreement that will make Westpay’s suite of payment services available to NyKapital’s customers in Denmark.**

This collaboration will introduce advanced, secure, and flexible payment terminals and reliable payment processing, that integrate with Nykapital’s Point Of Sales (POS) offering, improving the user experience and checkout process for both customers and staff. Deliveries to Nykapital have already commenced.

*Our partnership with Westpay marks a significant milestone in our sales strategy. By bringing Westpay’s cutting-edge payment solutions to our customers, we are expanding our market reach and strengthening our position in the industry. This collaboration is not just about integrating technology; it’s about building a partnership that will enhance our sales efforts and deliver superior value to our clients, says David Sultan, CSO at Nykapital.*

*This partnership with Westpay is a strategic move that will drive our financial growth by enhancing our service offerings. This collaboration will undoubtedly contribute to our long-term growth strategy and solidify our financial standing, continues Morris Friis, CFO at Nykapital.*

NyKapital is a leading supplier of payment systems and B2B-focused products in Denmark. Known for our advanced POS systems, secure payment gateways, business accounts, and financial management tools, they offer comprehensive solutions that streamline operations and support business growth.

*I am very pleased that Westpay and Nykapital have teamed up and together we look forward to meet the increasing payment demands on the Danish market, says Sten Karlsson, CEO at Westpay AB.*
