## Thunderful Group - Leaving a challenging 2024 behind

Redeye provides an update on Thunderful Group following its Q4 2024 report, which was better than expected in terms of sales, while margins came in somewhat weaker than expected. Thunderful Group leaves a challenging year behind, and we believe the Q4 report is a step in the right direction, with improved cost control and cash flow. That said, the company must continue to manage its balance sheet, which leaves little room for error.
