

## Sonja Thorngren steps down as CFO of Nepa

**Sonja Thorngren has decided to leave her position as Chief Financial Officer (CFO) of Nepa for new opportunities outside the company. Sonja has been the CFO since February 2023 and will remain in her role until mid-January 2025. Nepa initiated the process to appoint a new CFO earlier this year.**

"I want to thank Sonja for her leadership and commitment during a time of significant transition. She has been a driving force in our cost reduction initiatives and has made significant contributions to the development of the company. I wish her all the best in the future," says Anders Dahl, CEO.

"As we look ahead to the next chapter, I am confident that the search for a new CFO will bring in new expertise to help propel us toward our profitable growth objectives."
