

## Karin Ljung is leaving her position as CFO of Hexicon AB (publ)

**Hexicon's CFO, Karin Ljung, has chosen to end her employment for new challenges outside the company at her own request. The process of finding a replacement has begun, and Karin Ljung will remain as the company's CFO until July 2023.**

"Karin has been a highly valued and committed colleague during her time at Hexicon. As CFO, she has played an important role, and I have personally had a very good collaboration with her. I am grateful for everything she has contributed to the company, particularly her important work in building structures and processes," says Marcus Thor, CEO of Hexicon.

### **About Hexicon**

Hexicon is an early project-developer in floating wind, opening new markets in deep water areas, and a technology provider with a patented floating wind design – TwinWind™. The dual business model supports the world's transition to sustainable energy. Floating wind is an important part of the future energy mix. It can be deployed quickly and at scale, contributing to the electrification of society at large. Hexicon operates in several markets across Europe, Africa, Asia, and North America. Hexicon is listed on Nasdaq First North Premier Growth Market (ticker HEXI). Certified Adviser is FNCA Sweden AB, [info@fnca.se](mailto:info@fnca.se).
