# Freemelt appoints Jonas Fogelberg as CFO

---

**Nasdaq First North-listed Freemelt, whose pioneering solutions create new conditions for rapid growth and development in 3D printing, has appointed Jonas Fogelberg as interim CFO. Jonas Fogelberg has extensive experience from leading positions in both global industrial companies and academia. His most recent position is at Volvo GTT, and he will start at Freemelt in May.**

Freemelt focuses on medical technology, industrial production, and academia, which are areas where Jonas Fogelberg has extensive experience. Jonas Fogelberg has worked as Financial Director at Volvo 3P, CFO at Chalmers and Rise, and held international roles as CFO at Getinge in the US and VP Finance at Nederman Pneumafil in the US.

Jonas Fogelberg will be based in Mölndal and will be part of Freemelt's management team.

"With leading roles in successful industrial companies and academia and with experience from our focus markets, Jonas Fogelberg is an excellent addition for Freemelt as we move from a start-up to a commercially successful company," says Ulric Ljungblad, CEO of Freemelt.

## About Us

Freemelt is a high-tech company whose ground-breaking solution creates new opportunities for rapid growth in 3D printing, also known as additive manufacturing. The company's protected technology enables cost-effective printing to a consistent and high quality. By choosing an open-source solution, the conditions are created for strong growth and expansion towards manufacturing markets.

Freemelt was founded in 2017, is listed on Nasdaq First North Growth Markets, has 34 employees, head office in Gothenburg and a manufacturing unit in Linköping. Read more at [www.freemelt.com](http://www.freemelt.com).
