## Agreement with Circle K regarding BIGbin sites is renewed

Waterford, Ireland – 16 March 2021, Kollect On Demand Holding AB (publ) (“Kollect” or the “Company”), (Nasdaq: KOLL), announces that the agreement between BIGbin Waste Technology Limited (“BWTL”) and Circle K governing the placement of BIGbins on forecourts has been renewed for two years with effect from 1 October 2020 until 30 September 2022.

The new agreement also adds an additional 260 potential sites from the Circle K dealer network, in addition to the 160 sites which Circle K owns and operates.

Currently, BWTL has BIGbins installed on a total of 12 Circle K sites, of which 8 sites are Circle K owned and operated and 4 are operated by retail dealer partners.

The extension to the agreement now provides for a finder’s fee to be paid to Circle K where it makes introductions to retail dealer partners which lead to them installing BIGbins on their Circle K forecourts. This increases the pipeline of potential sites to all 420 Circle K forecourts in the country.

Separately, BWTL has been trialing a contactless payment solution on one BIGbin in Dublin and approximately 20% of all transactions going through this bin are contactless. In view of the success of this project, BWTL will incorporate a contactless payment solution into all new bins going forward.

## About Kollect

Founded in Waterford, Ireland, Kollect is an innovator and disruptor in the waste industry listed on the Nasdaq First North Growth Market (symbol: KOLL) and Mangold Fondkommission AB is the Company’s acting Certified Adviser (Tel. + 46 8 5030 1550, CA@mangold.se, www.mangold.se).

The Company services two types of customers: those who arrange to have waste collected via the online Kollect booking engine; and those who use BIGbin smart compactor bins for waste drop-off.

The waste collection services include domestic door-to-door bin collection, commercial bin collection, skip (container) hire, skip bags and junk removal such as furniture and other large objects.
