Hoist Finance receives VAT refund for the years 2018–2025

Hoist Finance has requested a reassessment from the Swedish Tax Agency regarding the right to deduct input VAT in its operations, which has resulted in a refund from the Swedish Tax Agency with a positive P&L impact of approximately SEK 160 million (affecting Q2 2026). The refund relates to historical periods (2018–2025).

Hoist Finance has been in dialogue with the Swedish Tax Agency regarding the right to deduct input VAT over a period of time, as has been reported on in annual- and quarterly reports.

Any reassessment relating to 2026 will be handled in accordance with applicable regulations after the end of the financial year. For 2027 and beyond, the impact depends on ongoing legislative process and therefore cannot be determined at this stage.
