

VALUNO RELOCATES HEAD OFFICE AS PART OF ONGOING COST EFFICIENCY MEASURES

Valuno Group AB (the “Company”) announces that its head office has been relocated from Sveavägen 31 to Kommendörsgatan 30 in Stockholm.

The relocation is part of the Company’s structured cost efficiency programme. All costs - both operational and administrative - are subject to continuous review. No expense is retained unless it is justified.

The new premises are better aligned with the Company’s actual operational needs and result in significant cost savings without compromising quality or working environment. The cost optimisation efforts aim to establish a sustainable cost base and strengthen the Company’s conditions for long-term profitability.
