

EvilVEvil to be released on July 16th

EG7's studio, Toadman Interactive has announced that EvilVEvil, the vampire power fantasy cooperative first-person shooter will be available on July 16th, 2024, launching on console and PC via Steam.

EvilVEvil is a fast-paced first-person vampire shooter that rewards you for mowing through hordes of enemies without remorse. The game features a cast of badass vampires, each with powerful abilities and a heavy dose of attitude. Shoot your way through their story as you uncover the plans of the evil Zagreus and his devoted cultists.

From June 10 – 17, 2024, the demo will be available on the EvilVEvil Steam page [here](#).
