

BeammWave to participate and exhibit at Mobile World Congress - MWC 25

As the world's largest and most influential connectivity event, this premier international trade fair brings together industry leaders to exchange insights and explore business opportunities.

We have been selected to participate in the European Pavilion at MWC 2025, taking place from March 3-6 in Barcelona, Spain.

"Following a highly competitive selection process, we are honored to be recognized as one of the 15 most promising EIC-backed SMEs, startups, and scaleups invited to participate in this prestigious event. Standing alongside top innovators, we are excited to showcase our cutting-edge technology on the global stage", says Rob Cadman, VP of Business Development and Sales at BeammWave.

Join us at MWC 2025 to discuss our disruptive resolution for Distributed Digital Beamforming.

Come visit us at the EIC Pavilion in Hall 8.1 booth B52!
