
Acarix Q3 2024 - Setting the stage for an exciting 2025

Redeye updates its view on Acarix following its Q3 report, showing lower revenues than anticipated. However, the company continues to demonstrate positive US momentum, with 20 new CADScor systems installed and rising patch utilisation. Recent announcements around long-term prospects, including advancements in reimbursement and a first IDN order, position Acarix for an exciting 2025.
