

OPTICEPT POSTPONES THE PUBLICATION OF THE ANNUAL REPORT AND UPDATES THE FINANCIAL CALENDAR

OptiCept Technologies AB's annual report will be published on April 20, 2022. The previous publication date was April 5, 2022.

The reason for the postponement of the publication of the annual report is a high workload on the finance department in connection with the list change process. We have therefore chosen to move the publication forward partly to complete the compilation and partly to allow time for the auditor's review.

The updated financial calendar is as follows:

Publication of annual report	20 Apr 2022
Interim Report Q1	6 May 2022
Annual General Meeting 2022	25 May 2022
Interim Report Q2 2022	16 Aug 2022
Interim Report Q3 2022	15 Nov 2022
Year-end Report 2022	14 Feb 2023

About Us

OptiCept Technologies AB (publ) provides the food and plant industry with technological solutions that contribute to a more sustainable world and enable climate-smart economic growth. OptiCept optimizes biological processes - Increased extraction from raw material, extended shelf life, reduced waste, and improved quality (taste, aroma, color, nutritional content) of the final product.

The positive effects of technology increase efficiency for our customers, better products for the consumers, and minimal impact on our environment. Through patented technology in PEF (pulsed electric field) and VI (Vacuum Infusion), the technology opens up new business opportunities for the food and plant industry worldwide. OptiCept's vision is to contribute to a sustainable world by offering efficient green cutting-edge technology that is easy to use in the areas of FoodTech and PlantTech.

The company is located in Lund and the share is traded on the Nasdaq First North Growth Market. Erik Penser Bank is a Certified Adviser and is available at 08-463 80 00 or certifiedadviser@penser.se.
