Playdigious releases Loop Hero

Fragbite Group AB's (publ) ("Fragbite Group") subsidiary Playdigious has today released unique independent game title Loop Hero on mobile platforms after a successful promotion period.

Loop Hero was developed by Four Quarters and published on PC and console by Devolver Digital. Since first releasing in 2021, the PC and console versions have enjoyed success both in terms of high player ratings and award nominations, as well as unit sales. Today Playdigious releases the mobile version of the game on Apple App Store and Google Play Store, after a successful promotion period with pre-orders and pre-registrations respectively.

"I would like to thank Devolver Digital for excellent collaboration and for trusting us with bringing this unique indie title to mobile. The team has managed to adapt the game experience in a seamless way, and I am confident our version of Loop Hero has what it takes to become one of Playdigious' longest serving titles," says Abrial Da Costa, CEO, Playdigious.

Loop Hero is a roguelike game which has been nominated for several international awards such as "Best Independent Game" at The Game Awards 2021, and "Outstanding Achievement for an Independent Game", "Outstanding Achievement in Game Design" as well as "Strategy/Simulation Game of the Year" at the 2021 D.I.C.E. Awards.
