

ZignSec Signs Agreement with Audit Firm Deloitte

ZignSec has, through its subsidiary Web Shield, signed a contract with Deloitte Germany for the use of Web Shield's Versatile Customer Underwriting (VCU).

VCU is a software-as-a-service solution to streamline the Know Your Business (KYB) processes by automating the corporate document retrieval process for various jurisdictions to identify the ultimate beneficial owners of legal entities as well as perform sanctions and PEP screenings.

Comment from Timm Schneider, CEO of ZignSec:

"We are aware that efficient and high-quality KYB is essential for the success of a major accounting and professional services provider like Deloitte Germany. We are looking forward to bringing this relationship to the next level and expanding ZignSec's footprint in this strategically valuable sector."
