

## QleanAir signs new \$750,000 agreement with a nationally ranked, Pediatric Acute Care Children's Hospital System

**QleanAir Scandinavia, the provider of solutions for clean indoor air, has signed a large agreement with a nationally ranked, pediatric acute care children's hospital system in the US. The agreement is to provide the acute care children's hospital with a new USP 797/800 compliant cleanroom environment to be used for their pharmacy compounding services. The project is planned for Fall of 2023.**

QleanAir is dedicated to helping its customers protect people, products, and processes through cleanrooms that meet and exceed USP guidelines and maintain a compliant state of control. To that end, a large pediatric acute care hospital system in the Midwest has signed an agreement with QleanAir Scandinavia Inc., US.

To stay compliant with the new USP revisions, the healthcare system signed an agreement with QleanAir to build a USP 797/800 cleanroom suite which planned to be built in Fall of 2023.

- "We are fully committed to providing our customers with the highest quality of performance driven air solutions to protect people, products, and processes. We could not be more pleased than to partner with such a great group of dedicated professionals focused on pediatric care excellence.", says Amanda Myers, Chief Commercial Officer of QleanAir Scandinavia Inc.
