
Impact Coatings Receives Order for Fuel Cell Coating System to Boyuan

Impact Coatings has received an order for an **INLINECOATER™FC** system for delivery to the Chinese fuel cell metal plate manufacturer **Shangdong Boyuan New Energy Technology Development Co., Ltd.** (“Boyuan”). The system order is placed through the trading company **Liaocheng Golden Bridge Import And Export Co., Ltd.** Boyuan is specialized in the precise forming technology of fuel cell metal plates. The total order value is in the **EUR 1.2-1.4 million range**, and includes **Managed Services** for four months. **Managed Services** means that Impact Coatings for a period operates the coating system at the customer's premises. Final delivery is planned for the fourth quarter of 2022.

About Impact Coatings

Impact Coatings offers customer-focused coating services, clean coating technologies, and flexible coating systems with focus on hydrogen solutions, autonomous safety functions, and tailored coating solutions for high-end applications.

The company utilizes vacuum deposition methods - sustainable processes to apply thin layers of metal or ceramic coatings that improve performance and durability. Impact Coatings markets coating equipment under the trademark **INLINECOATER™** and coating materials under the trademark **MAXPHASE™**. The company's service models and systems are flexible and scalable to fit the fast-paced markets the company operates within.

The Impact Coatings share is listed on Nasdaq First North Growth Market (Nasdaq Nordic). The company's Certified Adviser is Redeye AB, reachable via certifiedadviser@redeye.se or +46 8 121 576 90.
