Strategy Shooter Wild Bastards to Launch on All Major Platforms on September 12

Stockholm, Sweden (June 5, 2024) – Maximum Entertainment AB (Nasdaq: MAXENT B) announced that tactical FPS title Wild Bastards from Maximum Entertainment and developer Blue Manchu will launch on PC, PlayStation 5, Xbox Series X|S and Nintendo Switch on September 12.

“Wild Bastards is one of our most highly anticipated games, and we can’t wait for fans to discover its mix of strategy and action across all major platforms on September 12,” said **Christina Seelye, CEO of Maximum Entertainment**. “This upcoming release further proves that 2024 is the year where Maximum Entertainment’s integration really starts bearing fruit, as we deliver our previously announced titles and continue growing our catalog.”

The release date trailer showcases a look at the outlaws players will be managing as they navigate the cosmos. Each character has their own unique set of skills to curate, along with relationships with the other characters players will need to manage.

About Blue Manchu

Founded in 2011 and headquartered in Canberra, Australia, Blue Manchu’s storied team of veteran developers shares a mission of building genre-merging original titles integrated with elements of strategy. Known for its acclaimed, spaceship-boarding strategy FPS Void Bastards as well as Card Hunter, a collectible card game homage to retro RPGs, Blue Manchu is currently developing the intergalactic tactical FPS Wild Bastards.
