

Chordate Medical CEO presents the company and Ozilia at Aktieportföljen Live

On Tuesday, October 15th, at 11:15, Chordate's CEO Anders Weilandt will participate at the investor event Aktieportföljen. He will present the latest developments in the company, such as the first migraine order from Saudi Arabia, the breakthrough in Switzerland and the progress on the other focus markets, the new patent in the US, as well as the next step of the exit-strategy.

"It is important for us to get out and meet both existing and potential new shareholders. We want to seize every opportunity to inform the market, and Aktieportföljen gathers a large investor community," says Anders Weilandt, Chordate CEO.

Aktieportföljen runs an investor network on Facebook in Sweden and Denmark with a total of 150,000 members.

Aktieportföljen Live can be streamed on [Direkt Studios Youtube](#) channel, and viewed on-demand in the [Aktieportföljen Facebook group](#).
